COUNTY FARM RECORDS INDEX

CLINTON COUNTY, MICHIGAN

1881 – 1977

2 VOLUMES

The facility, usually known as the "county farm," at different times was called the "poor house," or the "county infirmary." This is largely an index to the names of residents of the County Farm during the years given above. However, some additional people appear in the records as "guests." Other names given are administrators who are identified herein by "Adm." The census listings for the County Farm residents in 1900, 1910, 1920, & 1930 have been added to the data base. The original records are held at the archives.
